The Committee also stated that the most significant aspect being presented was the costume which is not created nor significantly altered by Ms. Ye. This finding, plus the finding that she would not be the one to take the photo of the customer (Mr. Kan Hew Cheng stated that he would — which he's already licensed to do), was the basis for the Committee's vote to deny certification for Ms Ye. (Helping people put on a costume which she does not make or alter does not constitute creation or alteration of the craft which is photography, and for which Mr Chong is already licensed.)

O.K. (17) Michelle Maiorana. fabricated glass + metal jewelry items. We watched her demonstrate.

O.K. (18) Dean Olsen. Donal Olsen - bamboo pipes brought all their raw materials, and works in progress, and thoroughly explained their process.
